Q.4 Read the following passage and answer the questions given below:**4**

Till the eighteenth century C.E. Europe had achieved a remarkable progress in the fields of Philosophy and Science. Scholars by then had come to believe in the possibility of studying the social and historical truths by applying scientific methods. Now the philosophical discussions focused more and more on the objectivity in history and historiography.

Prior to the eighteenth century all European universities were interested only in the philosophical discourses revolving around Divine phenomena. However, gradually this scenario began to change. In 1737 C.E. the Gottingen University

was founded in Germany. This university for the first time had an independent department of history. Later, other German universities also became centres of historical studies.

1. Which continent had achieved a remarkable progress in the fields of philosophy and science? (1)
2. What was the philosophical discussions focussed more and more on? (1)
3. How was the scenario changed in 18th century? (2)
